Prayas A University Level Paper Presentation Contest

In the present scenario, the focus is on use of computer in each and every field. The fields may be Manufacturing, Maintenance, Equipment, and Development of new Techniques, Improvement of Technology, Education, Governance, Research, Trade and commerce etc. For using computer, a well-informed well-trained manpower is required. Master in Computer Application is a course, which provides trained manpower to such industries.

MCA

Master in Computer Application, a postgraduate course, is of three years duration and is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. It is recognized by the Govt. of Maharashtra and AICTE (All India Council for Technical Education), New Delhi.

Adv. C. J. Thakar
Chairman, Trustee Mandal

The Organization with a Mission
Shri Nagpur Gujarati Mandal, a 100 years old Charitable Trust established to promote education activities. It runs three Primary schools, two secondary school, three junior colleges and three senior Multi-Faculty colleges. The Mandal is dedicated to the objective of imparting education, especially among the educationally backward areas.

Shri Nagpur Gujarati Mandal is a visionary NGO, running B.A, B.Com, B.Sc and various self financed undergraduate and postgraduate professional courses. The total strength of the students is more than 4500.

The mission of providing the Education is to help prepare outstanding educators, scholars, and researchers, and to enhance the profession of education, as broadly defined, through research on the science and art of teaching and learning, the effective uses of technology, and the analysis and development of leadership and high quality educational policy.
