2020-21

Our Unending Journey

With the advent of Globalization and emerging new technological trends in higher education, Shri Nagpur Gujarati Mandal always strives hard to later the needs of the students of modern times. We feel proud to be committed towards imparting quality education without any compromise. Since the inception of the mandal, the mandal is marching towards the path of excellence through "Trial and Error Basis"

MCA Department of V.M.V Commerce, J.M.T Arts & J.J.P Science College runs under the aegis of the mandal. The College contributes in all round development of a student to become responsible citizen of tomorrow. The college possesses beautiful combination of traditional classrooms and digital classrooms. By incorporating technology, it has become educational hub of Esteem Nagpur.

In its effort to groom the student's in better world to live in. With updated infrastructure the college tries to build instill confidence in the students as 'Survival of th fittest' is the law of Nature. The college provides healthy warm environment with quality staff of teachers to the students. The MCA Department avails the students with different opportunities to excel, thus contributes in their self reliance.

Over the period of time, the college has achieved good name in educational excellence and has succeeded of all the level of the society through its noble aim of importing education.

Seminars, symposia workshops, conferences update teachers knowledge of their respective subjects and quizes. Paper Presentation, Power point presentations, classroom tests mould the students into disciplined ones. Thus the department is committed to set new standards of excellence each year, growing every year.

Adv. Chandrakantbhai Thakar
Chairman, Trustee Mandal

VISION

Merits With Responsibility

The Institute is committed to develop Information Technology professionals with a strong sense of Leadership & Responsibility who are capable of developing critical IT solutions. This vision is based on learning methodologies, cultivation of practical skills & commitment to academic quality. We have courses, in addition to the university prescribed courses that are making such IT professionals.

MISSION

1. Crafting Leadership

Our mission is crafting to develop IT professionals with specialized skills to resolve problems at the place of work. To achieve the set objectives, we seek to develop key characteristic of leadership and skills.

2. The Overall perspective

To provide a broader perspective to students to have a holistic approach in viewing problems & developing critical & appropriate IT solutions.

3. Analytical & Integrative Skills

3. To develop in students, an analytical bent of mind & integrative skills necessary for developing ideas and their implementations,

4. Professionals Skills

To provide for proficiency and enhance competency in all aspects of IT applications.
MCA

Master in Computer Application, a Postgraduate course, is of two years duration and is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. It is recognised by the Government of Maharashtra and All India Technical Education (AICTE), New Delhi.

This is a Post Graduate course that prepares professionals to meet complex demands of the IT Industry. It emphasizes on planning, designing and building of complex commercial application software and system software. MCA is a two years programme for B.Sc., B.Sc.(CS, IT), BCA, B.Com, BCCA, B.A. & B.E. graduates. It covers various topics from information technology, business management and mathematics. Students who join course are introduced to software engineering aspects. This program demonstrates sound knowledge in key areas of computer science or industrial computing. It carries out the required analysis and synthesis involved in computer systems, information systems and computer applications.

MCA is not just a post graduate program but it is a complete professional grooming for students to make successful career in the IT industry. MCA students can also specialize themselves in fields like Hardware Technology, Software Development, System Engineering, System Development, Application Software.
